What to do next? +

1) Please send **0.00848000 BTC** to address **139wn1uEAEwQJvMii3r5ybkxujV7W6XqY9**. (Make sure to send enough to cover any coin transaction fees!) You will need to initiate the payment using your software or online wallet and copy/paste the address and payment amount into it. We will email you when all funds have been received. You have 2 hours, 53 minutes, 11 seconds for us to receive confirmed funds. If you send funds that don't confirm by the timeout or don't send enough coins you will receive an automatic email to claim your funds within 8 hours. If you don't receive the email contact us with the information below and CoinPayments.net will send you a refund:

- i) The transaction ID: CPAJ3Z9UPMWNQIJTQRZZV1IDBP
- ii) A payment address to send the funds to.
- iii) This verification code: 2ba964122f4fde524ab86374738c4bbe (to verify that you are the transaction sender.)

2) After sending payment, review the status of your transaction [on this page](#). Once the payment is confirmed several times in the block chain, the payment will be completed and the merchant will be notified. **The confirmation process usually takes 10-45 minutes but varies based on the coin's target block time and number of block confirms required.** The status page is available for the next 30 days.

What if I accidentally don't send enough? +
